

LMS Access Instructions

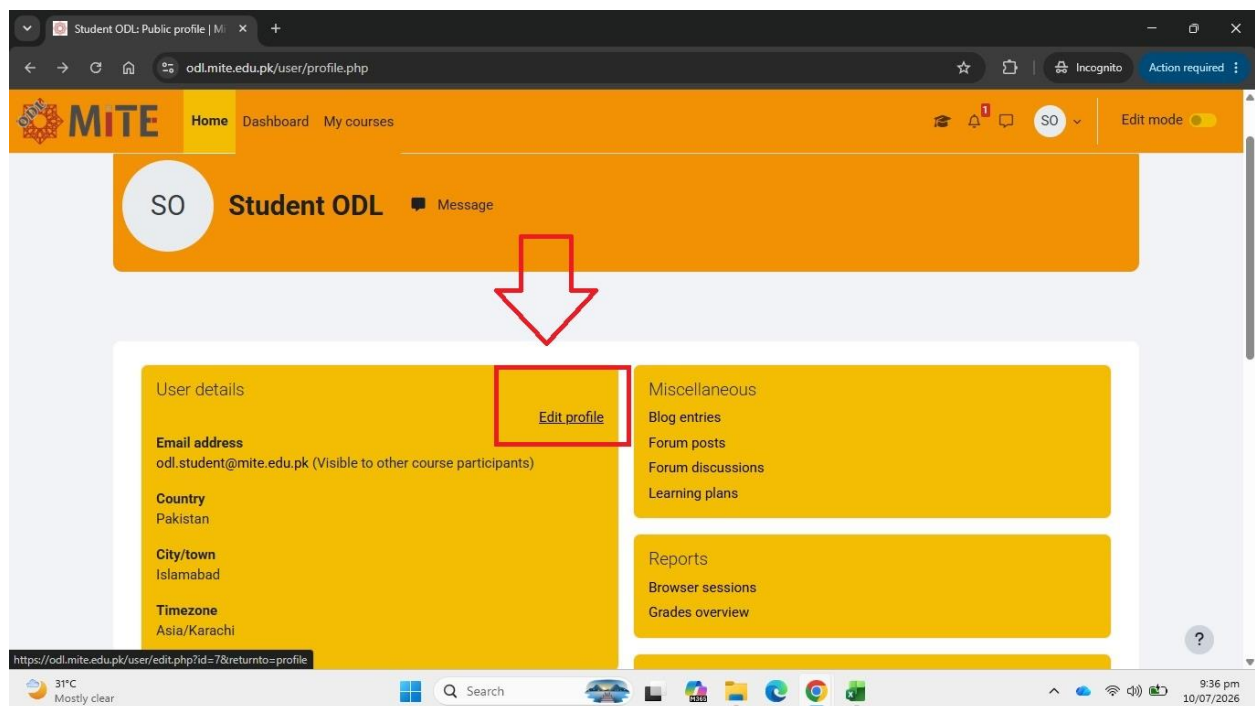

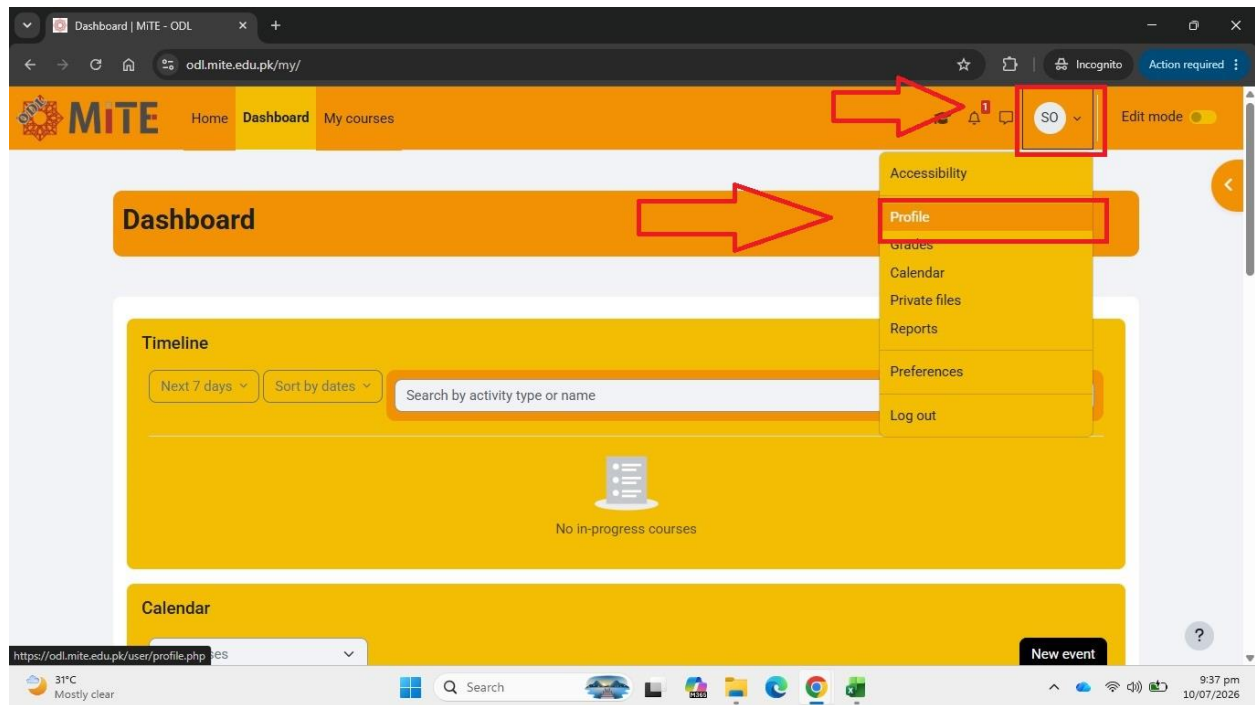

Step 1: Log in to the Learning Management System (LMS) using the username and password provided by the institute.

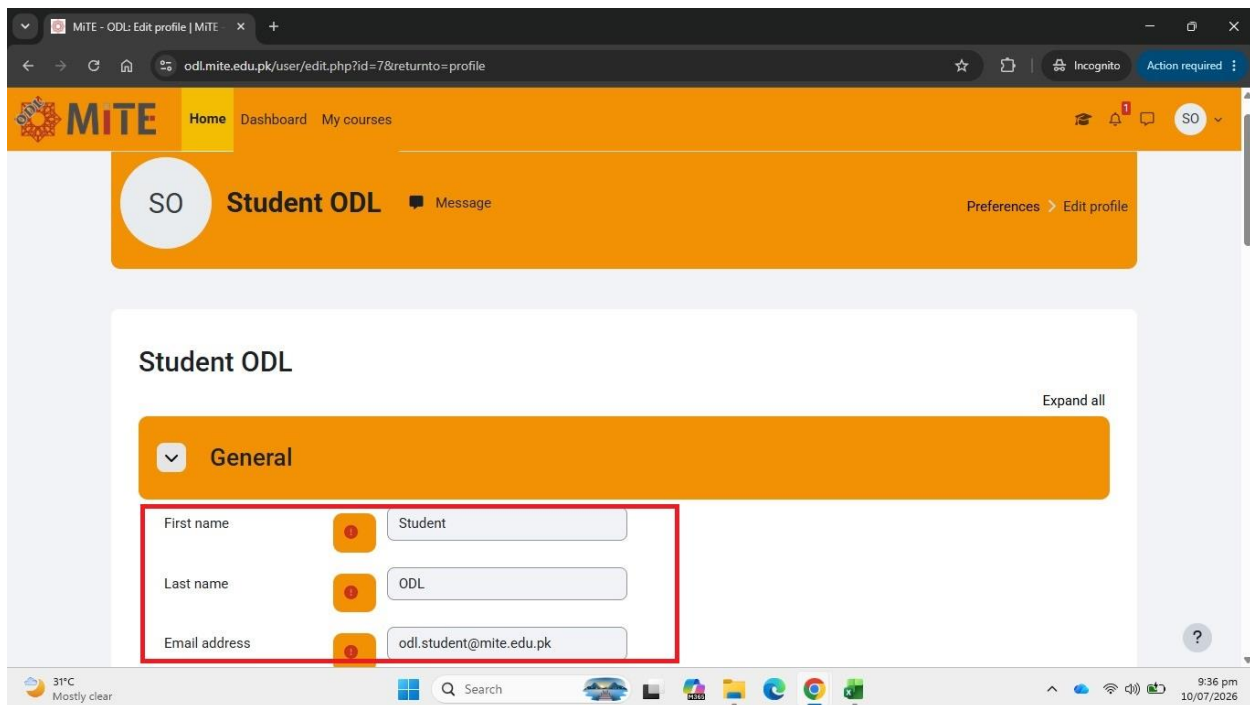

Step 2: Upon successful login, you will be directed to your **Dashboard**, which provides an overview of your account and enrolled courses.

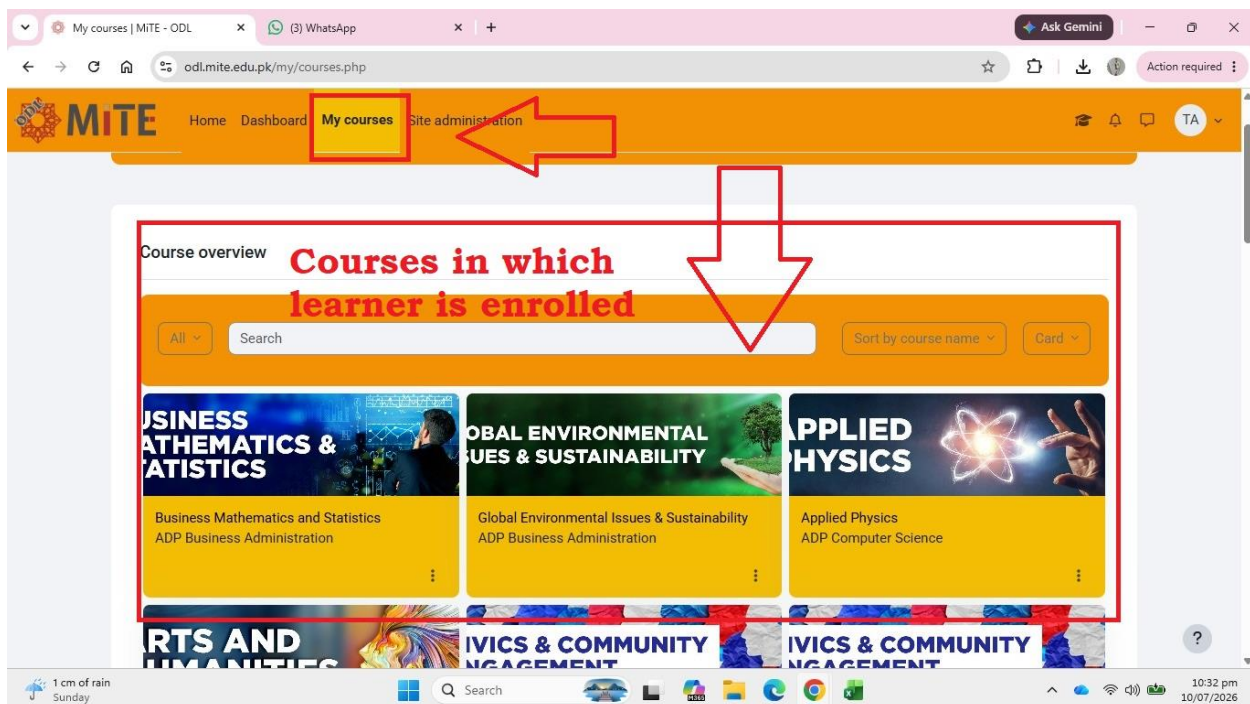

Step 3: Click the **Profile** icon to view, update, or edit your personal information and account settings.

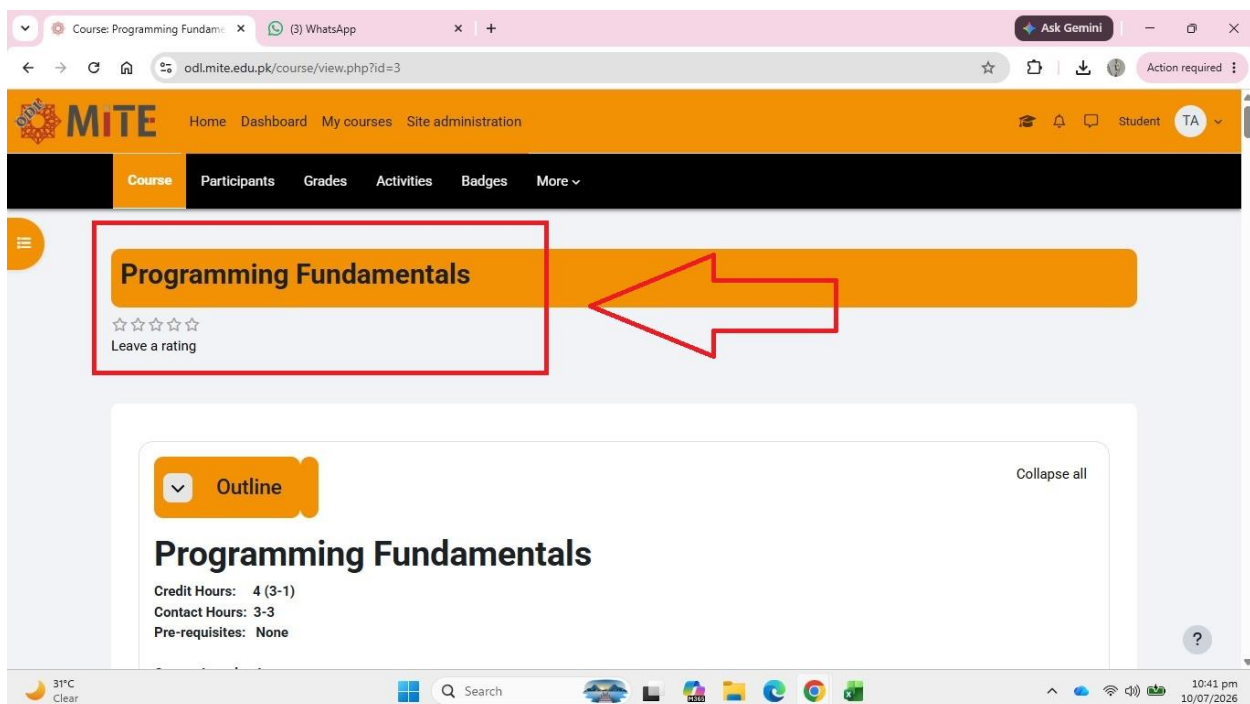

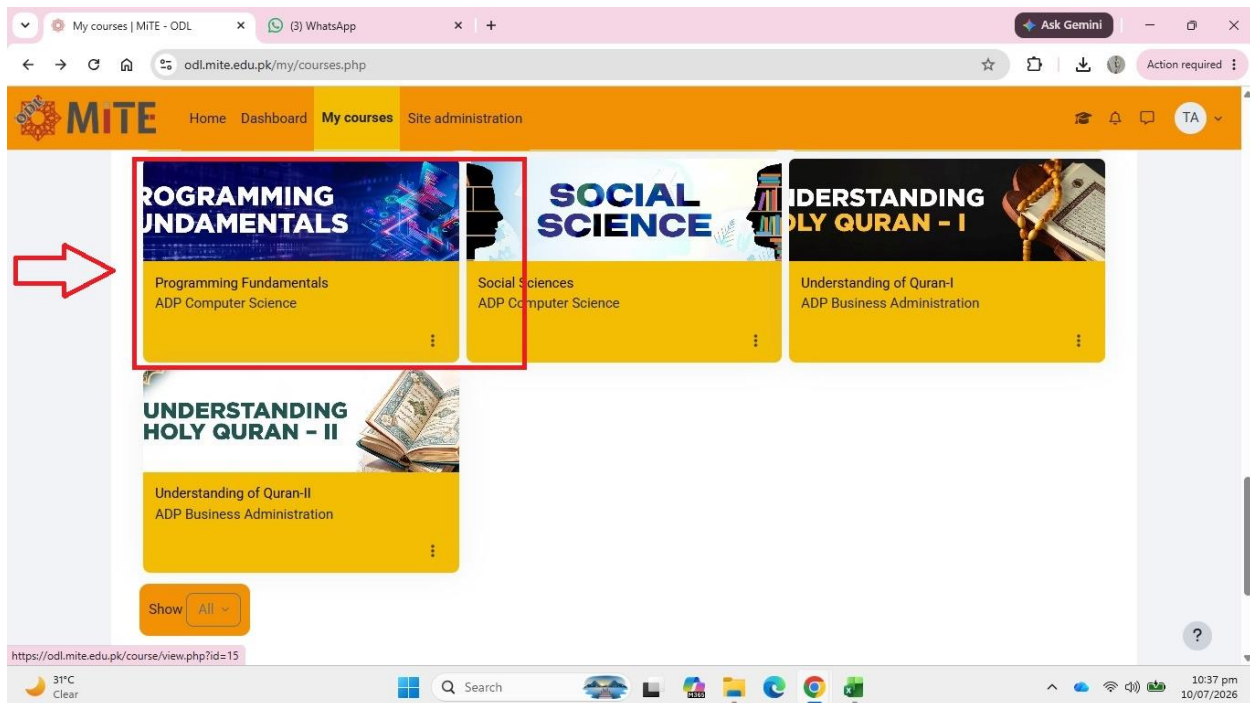

Step 4: Select **My Courses** to access the list of all courses in which you are currently enrolled. The course overview page will display your available courses.

Step 5: Click on the desired course (e.g., **Programming Fundamentals**) to access its learning resources, including the course outline, video lectures, study materials, assessments, activities, announcements, and other relevant course content.
